Summer Teen Interns at Accomac and Nassawadox libraries

Thanks to a grant from YALSA and the Dollar General Literacy Foundation, the Eastern Shore Public Library System will be hiring two (2) part-time, temporary Teen Interns for the Summer of 2018. Both will help with the libraries' Summer Reading Programs – one at the main library in Accomac and one at the branch library in Nassawadox – and will also help the Youth Services department develop a Teen Advisory Board for the library system.

The new regional library will have a room designed specifically for teens that includes space for graphic novels and young adult books, comfortable seating, and access to a technology makerspace.

Eastern Shore of Virginia yearbooks available online!

The Eastern Shore Public Library is participating in the Library of Virginia's school yearbook digitization project. Sixty-six Eastern Shore of Virginia yearbooks are now online and can be viewed through the "digital history" section of espl.org. Many thanks to [Cape Charles Museum](#) and [Riverside Shore Memorial Hospital](#) for their yearbook donations.

We are actively accepting yearbook donations for the project! If you'd like to include your pre-1977 Accomack or Northampton County yearbook in the online database please contact the Eastern Shore Public Library at (757) 787-3400 or email [espl at espl.org](mailto:espl@espl.org) for information. Your yearbook can either be permanently donated to our archives or loaned to ESPL only for the duration of the scanning project.
