## INTRODUCTION

### Scope, Purpose and Organization -

This is a compilation of the Downing's Church Records, Book I and II, covering the period 1857-1899. According to a note in the records written by Rev. J.B. Merritt, "This is the record first of Accomack Circuit - Philadelphia Conf of M.E. Church. Then of Atlantic Circuit VA Conf M.E. Ch South. Then of Conquest & Guilford. It will be found that the record of the last mentioned charge is recorded in the place allotted to Probationers as there was more space there than elsewhere."

The following was included in the records:

Statistics of Accomac Circuit, Mar 1858

Class	Members	Probation	Colr'd Members	Colr'd Prob
Downing's	103	9	71	1
Oak Grove	21	1		
Saxe's Island	31	4	1	
Modest Town	30		18	
Guilford	74	2	13	
Drummondtown	32		53	
Ayres's	55			
Onancock	126	5	71	1
Slutkill Neck	29			
Tangier Island	65	2		
Totals	566	23	227	2

### Compilation Methodology -

Mrs. Mary Frances Carey of New Church, VA, obtained photocopies of the original church records. Pages 119-125, an assessment at Conquest Church which showed an amount of money for each member, were not copied by Mrs. Carey. There was also an alphabetical list of members that only went through "F" which was also not copied. Mrs. Carey loaned the photocopies to the compiler, who entered the information into a computer spreadsheet in the order found in the records.

The year of the roll was the year it was first started. However, members were added and removed and sometimes added back until the year of the next roll. In most instances, if someone was added to the roll after it was first made, there will be a date of vows, baptism or certificate received after that member's name in the remarks column. If there is no information in the remarks column it normally indicates that person was a member of the church/class at the time the roll was originally prepared. If a member was removed and added back at a later date, their name might appear twice on the same roll.

HUSBAND, WIFE, NAME - Names are listed with surname first although they were not listed this way in the original records. If name abbreviations are shown in this compilation, they were entered in the original record in this manner and were not added by the compiler. Name abbreviations are as follows:

Benj - Benjamin  
Chas - Charles  
Geo - George  
Eliz'th - Elizabeth  
Jas - James  
Jno - John  
Jos - Joseph  
Robt - Robert  
Saml - Samuel  
Thos - Thomas  
Wm - William

(Residence) - Some of the marriage records listed the residence of the husband and wife.

CHURCH/CLASS - This column indicates the various churches and classes listed in the records. Abbreviations used in this column are as follows:

# - No.  
Colr'd - Colored  
Down - Downing's  
Drum - Drummond Town  
Guil - Guilford  
Is - Island  
Modt - Modest Town  
Nk - Neck  
Onan - Onancock  
Prob - Probationers  
SunPM - Sunday Afternoon  
Temp'vll - Temperanceville

CONDITION - This column displays the condition of the member, e.g., single (S), married (M) or widowed (W). If S/M is shown, it indicates the member was single when the roll was made, but was later married.

RESIDENCE/REMARKS - In order to include all information about a member, this column may contain abbreviations indicating such items as spouses, how members were received or removed from the rolls, death date, transfers, etc. Abbreviations are as follows:

Cert - Certificate  
Ch - Church  
Conf - Conference  
Conq't - Conquest  
Entr'd - Entered  
Exp'd - Expelled  
Rec - Recorded  
Recd - Received  
Rec by Cert - Received by Certificate  
sp - Spouse (to whom married)  
Trans fr - Transferred from  
Transf'd - Transferred  
w/Cert - With Certificate  
\*\*\* - Information Unclear  
( ) - Comment by Compiler

In some instances there is no abbreviated code associated with information in the remarks column. Some information was written in the original record without explanation. Place names would sometimes appear and it would not be clear if that was the place the member came from, transferred to, or their residence.
