We're almost there -- help us celebrate!

The Eastern Shore Regional Library and Heritage Center has very nearly reached its fundraising goal of \$5 million. Architectural plans are done, and ground breaking in Parksley will be early 2019 with construction beginning shortly thereafter.

Please join us at our second annual "Raising the Green" party on **Saturday, March 16, 2019**. The Island House Restaurant will host our St. Patrick's Day gathering, so we know there will be good food, good fun and maybe a little Irish luck for everyone.

Last year the tickets for this event sold out. The silent and live auctions provided enthusiastic participation and with sponsorships, we were able to surpass our fundraising goal.

We look forward to seeing you at the St. Patrick's Day "Raising the Green" Party! To become a sponsor or for more information, call (757) 787-2500.
