BRING YOU FAMILY WORLD WAR DOCUMENTS TO BE SCANNED!

We invite you to include Eastern Shore World War One and World War Two veterans in the Profiles of Honor Virginia Memory project.

The Virginia World War One and World War II Profiles of Honor tour is coming to the Shore this weekend.

The FREE walk-in traveling exhibit will be in Nassawadox on Friday and then Parksley on Saturday and Sunday.

The exhibit honors Virginians who fought during these wars and helps ensure their legacy will remain for generations.

We will also be having a scanathon for family photos, letters, and other documents. Please bring your documents to be scanned to the exhibit.

Help ensure the Eastern Shore is well represented in the digital history of these world wars.

Come learn about these brave Virginians Friday in Nassawadox, or Saturday and Sunday in Parksley. Open all three days from 10-5.
