

Eastern Shore Public Libraries in Accomac, Chincoteague, and Nassawadox will stop curbside pickup to support the Virginia Stay At Home Order. Pickup service will stop on Tuesday, March 31 at Accomac and Chincoteague locations and on Wednesday, April 1 at the Nassawadox location. Individuals picking up items should call ahead for hours of service and to ensure their items are ready for pick-up. Staff will continue to be available to answer phones at the libraries and to provide verbal assistance in using the library electronic resources.

Our staff has been real troopers to continue to provide the limited service. Many patrons have made use of this convenience. Due support our local health care system, however, we need to discourage people from leaving their homes. I feel we have provided ample opportunity for patrons to stock up on materials and we continue to promote the electronic resources available.

Cape Charles Memorial Library patrons will need to call the Cape Charles Town office for service updates at their town library at (757) 331-2176.

Information about current library services can be found at espl.org or calling the main Eastern Shore Public Library Monday to Friday, 9:00 a.m. to 5:00 p.m. at (757) 787-3400.

Thank you all for your support. We look forward to seeing you again as soon as the risk to your health has lifted.

Best wishes,

Cara Burton

Library System Director
