**ART EXHIBIT AGREEMENT
WITH EASTERN SHORE ART LEAGUE**

This letter is an agreement with the Eastern Shore Art League for the purpose of hosting art exhibits in the Eastern Shore Public Library in Accomac, Nassawadox, and, in the future, Parksley (here collectively referred to as ESPL). It does not cover the libraries in Chincoteague or Cape Charles. This cooperative agreement is in place to provide for quality art exhibits in the library by relying on the expertise of the Art League in vetting and scheduling exhibits.

The Eastern Shore Art League will manage art exhibits at ESPL locations following the ESPL Exhibits Policy. The Art League is to only schedule one year in advance to provide other organizations the opportunity to have non-art exhibits. Any artists contacting ESPL to exhibit will be referred to the Art League. It is the Art League's responsibility to set its own policy as to how artists will be selected and scheduled. The Art League will supply the library a schedule and brief description of the artist and artwork for the purpose of promoting exhibits.

The purchase of artwork is to be done outside of the library following Art League policies. The library will receive a contribution of 15% of the sale of artwork exhibited at the library and sold up to two months after the end of the exhibit if the work was first seen at the library.
