Construction Committee Report August 8, 2017

Asbestos removal is complete

Director Cara Burton is working with the Architect and Design Committee to come up with a proposed internal design. As soon as that occurs, a meeting of the Construction Committee will evaluate and pass on to the Board of Trustees

The external design remains the same as it was in the Conceptual Design of May 2016

Adjusted fee schedule for Waller Todd & Sadler has been signed

Committee is scheduled to appear before the Accomack County Board of Supervisors on Wednesday, August 16, 2017

Appearing are: Howard Collins, Executive Vice President, Waller Todd & Sadler – Gerry Ryan, Chair Construction Committee and Frank Hall, Treasurer ESPL Foundation

Physical & Topographic Survey and Geotechnical Exploration are to begin shortly

Cost estimates and timeline will be presented in hopes of establishing a budget for preparation to construction
