

Northampton Free Library (NFL)

**Book Sale:** We had the annual Friends of the Northampton Free Library book sale April 13-15 thanks to the help of Susan Vreeland.

**Building Maintenance:** I noticed Thursday, April 27<sup>th</sup> that six of my lights at NFL were out on the children's section and I was not sure if it was the bulbs. Friday morning when I turned on the switch I heard it sizzling. I called the fire department and they told me to call an electrician because it was not hot to the touch. I called Herbert Senn and they sent two workers out right away. They replaced the light switch, which luckily did not look burned up. The six lights are now working.

**Computer Usage:** There were 603 computer users in April.

**Meeting Room Usage:** There were 22 requests this month for meeting room use, which was an increase of 10 requests.

**Staffing:** There were no changes in staffing.
