

Northampton Free Library (NFL)

Staff: Barbrielle Rogers our new Library Assistant I started working on December 19th.

Building Maintenance: Herbert Senn changed the water filter on December 12th. ANEC sent a worker in to check our electric meter at no charge and the results came back normal. He stopped in Tuesday and said that our HVAC system is the cause of our high electric bills. He recommended that we also check into using LED lights to conserve electricity.

Computer Usage: There were 540 computer users in December.

Meeting Room Usage: There were 15 requests this month for meeting room use.

Program: On Thursday, December 29th we had a Lego program at NFL with eight children and four adults attending. The children had fun playing with Lego. Thom Henderson with ESVA.net stopped in and took pictures of the event with parental permission. He sent me a follow up e-mail letting me know that he is mailing me pictures of the event.

Summer Dahlmanns, Branch Manager, Northampton Free Library
