

Northampton Free Library (NFL)

Staff: Summer will be working a couple of afternoons at Accomac to decrease staff hours at NFL.

Building Maintenance: Thornton Services came in and programed the thermostats to try to decrease the electricity usage.

Computer Usage: There were 570 computer users in January, which was an increase from the previous month by 30 patrons.

Meeting Room Usage: There were 14 requests this month for meeting room use.

Xerox Copier: We have called the repair man multiple times, changed two drums, toner and the waste container because of problems with the copier. The machine has problems with misfeed especially with bulk printing.
