

Northampton Free Library (NFL)

Building Maintenance: Mark Cline with Assurance Electric installed hand dryers in the bathrooms. He also installed a four plug outlet in the ceiling of the meeting room for the projector. We were able to locate another outside faucet on the building, so we did not need to have one installed for the upcoming community garden.

Computer Usage: There were 703 computer users in June, which was an increase of 69 compared to May.

Meeting Room Usage: There were 20 requests this month for meeting room use.

Staffing: There were no changes in staffing.

Summer Programs: We are now able to show movies within the library. Thirteen patrons watched the movie “Wreck-It Ralph” on June 20th. Eleven patrons watched the movie “Despicable Me” on June 27th. Four to five children have attended our Friday STREAM programs.
