

JULY 2018

Northampton Free Library (NFL)

Computer Usage

There were **738** computer users this month, which was a great increase from last month.

Staffing

No Staff Changes this month.

Building Maintenance

Thornton was called in twice this month to fix our broken AC unit. There was a steady leak through the ceiling tiles, which caused them to stain. During the first visit the technician found that there was a blockage in a pipe. The blockage was removed, but still had problems afterwards. Second visit from the technician found there was a blown fuse, which was replaced and the AC was back up and running. The damaged tiles were replaced later on in the month as well.

Eastern Shore Signs LLC came out this month and replaced our sign, which came out great!

Also, we are currently waiting on a written quote from a company to paint our outside trim.

Meeting Room Usage

Our meeting room was used 22 times this month. This includes small groups and our current adult programs.

Programs

This month the Friends of NFL continued with their usual adult programs. Members are steady, no decrease or increase in numbers.

Barbrielle Rogers, NFL Branch Manger
