Janice and I went to Northampton High/Middle School's Open house. We had an awesome response from students and parents. We had onsite card sign ups, free books, handouts on the library's online resources and other library printed information. We had a lot of students and parents that were interested in the Credo Homework Help resource that the library offers online.

Summer reading at NFL was a big success this year. We have certificates and prizes on hand for all participants. Our summer lunch program came to an end this month, which was also a big success this year. Janice and I packaged up and returned all unused foods to the Food Bank.
