Here are some rules for your bingo card.

- ✓ Each time you complete one of the squares, let a grownup know and you'll get to mark it off your game piece!
- ✓ Complete BINGO by filling in a row of five squares (diagonally, horizontally, or vertically).
- ✓ Bring your card to the public library when you complete a BINGO. You will get a small prize and a ticket for a chance to win one of our GRAND prizes.
- ✓ If you want to keep playing, you can make it your goal to fill out EVERY SPACE on your game piece.
- ✓ Make sure you keep your game card some place special, because every participant only gets one.
- ✓ Remember to ask for help at your library, if you have trouble finding what you need to complete the squares.

And most importantly:

Thanks for playing, stay healthy, and good luck!
