

Please be a Friend!

The Friends of the Eastern Shore Public Library strive to be advocates for the public with the library and advocates for the library with the public.

We are a 501(c)(3) organization of volunteers. While we ask for a minimal donation of \$20 per year, we rely on you to determine what level of support is best for you. We want you to come to our events: book sales, discussion groups, visits with Santa. We want you to come to meetings of our board on the fourth Wednesday of each month. We want you to give us your thoughts and opinions on how better to be your advocate.

Membership applications are available at the library in Accomac in either the brochure or the most recent issue of the Bookworm. **Please join us.**
