Books, DVD's, and audiobooks can easily be placed on hold through the library's new [ShoreCat online catalog](#) with your library card. The system will text or email you when the item is available for pick-up or staff may call you. E-books and audiobooks can be downloaded for free anytime from the library's e-resources with your library card. Links to these resources are also on ShoreCat.

When the public health safety emergency lifts, library opening hours will be posted on Facebook, on the library website, and with local media. The board and staff of Eastern Shore Public Library appreciate your patience and understanding at this time. The main library in Accomac can be called at (757) 787-3400.
