At the scheduled time of appointment, the bag will be placed on a table outside the entrance (in good weather) or in the library lobby. Masks will need to be worn in the lobby.

Eastern Shore library buildings will re-open to the public at a future date, to be announced. The libraries are not taking book donations at this time. Library materials can be returned anytime in the library's book return slots. Library staff encourages everyone to continue practicing social distancing, washing hands frequently, wearing clean masks properly, and maintaining good health with exercise and balanced diets. All of these are great Steps to Well-Being.
