Nonprofit Leaders Invited to Virtual Lunch with ESVA Community Foundation

(ACCOMAC, VIRGINIA) February 15, 2021 - Eastern Shore Public Library is hosting a virtual lunch with Julie Badger, Executive Director of the Eastern Shore of Virginia Community Foundation on Friday, February 26, 2021 at noon via Zoom. Eastern Shore non-profit leaders and volunteers are invited to this free one-hour event. The discussion will cover topics including making endowments work for non-profits, researching grant funding sources, and fundraising during COVID. It will also be an excellent opportunity to network with your fellow Eastern Shore non-profit leaders. While the session will be free, attendees must register for the session using the following link: <https://tinyurl.com/7w2ovpzw>.

Since the onset of COVID-19, many non-profits have been particularly challenged when it comes to raising funds, marketing their services to clients and operating in general. There are a variety of creative solutions out there that can help our non-profit sector survive and thrive during these times. The session on the 26th is designed to increase awareness of those solutions as well as serve as a forum for meaningful discussion amongst our non-profit leadership. For more information about the Eastern Shore of Virginia Community Foundation, please visit their website at <http://www.esvcf.com> or contact Julie Badger, Executive Director at 757-789-0910 or esvcf2016@gmail.com.
