Subject: ESVRLHC Grand Opening Remarks Request

Mr. Coker,

As you may be aware, the Eastern Shore of Virginia Regional Library and Heritage Center in Parksley plans to open to the public on Saturday, August 26th. We are planning for our first days open to the public to be a "soft opening" to allow staff time to learn new workflows and identify needed adjustments to our processes.

To that end, we are planning a ribbon cutting event and Grand Opening celebration on **Friday, September 8th** beginning at 3pm. We would like to begin the celebration with a few minutes of remarks from various parties. We intend to invite the Governor, former Governor, Chairs of the Board of Supervisors from Accomack and Northampton Counties, and the Librarian of Virginia to each say a few words. Are you available to make a few remarks at the event?

Thank you for your consideration.
