Good afternoon Miranda (and please call me Sandy). I am so excited to hear of the opening of the Library and Heritage Center and would love to be part of the Grand Opening celebration on September 8. As it turns out, I will be in Norfolk for a meeting that morning and so it will be easy for me to get to Parksley before 3 pm that day.

Thank you for thinking of me. I'll look forward to meeting you and to celebrating this important accomplishment.

All the best,

Sandy

Ms. Treadway,

As you may be aware, the new Eastern Shore of Virginia Regional Library and Heritage Center at 24313 Bennett St. in Parksley, VA plans to open to the public on Saturday, August 26th. The new building is part of the Eastern Shore Public Library system and will replace the library currently located in Accomac, VA. We are planning for our first days open to the public to be a "soft opening" to allow staff time to learn new workflows and identify needed adjustments to our processes.

To that end, we are planning a ribbon cutting event and Grand Opening celebration on **Friday, September 8th** beginning at 3pm. We would like to begin the celebration with a few minutes of remarks from various parties. We intend to invite the Governor, former Governor, Chairs of the Board of Supervisors from Accomack and Northampton Counties, and you to each say a few words. Are you available to make a few remarks at the event?

Thank you for your consideration.
